

Queensland Boutique Professional Services Firm qualifies for *BRW* Fast 100 2011

Business Aspect is a BRW Fast 100 company again – after recently qualifying for the BRW Fast 100 list for the second consecutive year!

Headquartered in Queensland, Business Aspect specialises in solving business-critical problems using insightful creative thinking, pragmatic delivery and experienced senior professionals. The organisation assists government and business clients in achieving success within sectors such as; Finance, Health, Education, Energy, Environment and Regulatory. Business Aspect's consulting service lines include strategy, risk management, business and program design, change and architecture.

Founded in 2005, Business Aspect has experienced remarkable growth thanks in large part to its specialised expertise, a growing team of senior and experienced people and the relationships the organisation has forged with a loyal, supportive and ever-expanding group of clients.

The *BRW* Fast 100 ranks companies with up to 200 staff according to their average annual turnover growth over three years. To achieve a place on this prestigious list for two years running is an outstanding achievement and is representative of the organisation's success story and once again affirms Business Aspect position as a leader in the consulting marketplace.

The Business Aspect team are excited about the opportunities ahead and are looking forward to further successful growth and shared prosperity with new and existing clients.
